An appeal

"Sri Ramakrishna Ashrama" which was established in 1948 under the inspiration of Pujyapada Srimat Swami Gadadharanandji Maharaj is now known as Ramakrishna Mission, Raiganj, the branch centre of Ramakrishna Math and Ramakrishna Mission.

Very recently (5-01-2024) there has been a branch centre of Belur Math called 'Ramakrishna Mission, Chhatrapur' not far from Raiganj city, which is now a sub-centre of Ramakrishna Mission, Raiganj.

With the help of respected devotees and well-wishers, following Ramakrishna Mission's ideal of 'Shiva Jnane Jiva Seva', Ramakrishna Mission, Raiganj has currently started the following services for the people:

In Raiganj:

Education: A "Free Coaching Centre" has been started for the overall development of under privileged children in the society where children (from first class to fourth class) are provided with education, cultural - development, health-checkup, yoga, nutritious food.

* Providing scholarships to poor students.

In various schools, poor students are provided with study materials (notebooks, pens, pencils, geometry boxes) etc.

Health: A Charitable Dispensary (Homeopathy & Allopathy) where medical services and free medicines are provided by eminent doctors.

Two days in a month mobile dispensary has been arranged in two remote villages.

Arrangement of medical camps in villages from time to time.

Supply of food and clothing and drinking water: Monthly ration (foodstuffs) and clothing are given to widows and poor people and winter clothing such as blankets are given in winter. Besides, drinking water is provided from the ashrama which benefits the local people.

In Chhatrapur:

Education: A "Free Coaching Centre" has been started for the overall development of under privileged children in the society where children (from infant to class IV.) are provided with education, cultural - development, health-checkup, yoga, nutritious food.

Health: A Charitable Dispensary (Homeopathy & Allopathy) where medical services and free medicines are provided by eminent doctors.

Daily religious discourses, occasional devotees' conferences, youths' conferences and youths' camps are organized to develop spiritual consciousness in the minds of people and spread the ideas and ideals of Swami Vivekananda among the youth.

Funds are needed to further expand the service (puja) imposed by Swamiji and to continue the day-to-day activities of the ashrama. It is not possible without the special support of the benevolent devotees and well-wishers. Our sincere request to you is to help us by donating as much as you can to the work of Sri Sri Thakur and Swamiji.

May the blessings of Sri Sri Thakur, Holy Mother and Swamiji shower upon you all. It is our earnest prayer.

Yours truly,
Swami Pareshatmananda
(Sudipta Maharaj)
